LAST MOMENT ITEMS

Scholarships.— Bellarmine annually offers six non-resident scholarships to graduates of parochial schools. They are merited through competitive examination held toward the end of each scholastic year. The date this year has been announced as June 4.

There is a four year scholarship, a three year, a two year and three of one year. Only one of them may be won by any individual school.

Increasing numbers have been competing from four San Jose schools and the schools of Santa Clara, Burlingame, Menlo Park and Redwood City.

Each scholarship student is required to maintain an average of 85% or forfeit.

Bellarmine Guild recently turned over its last installment toward the construction of the students' social hall, a check for $346.

Graduates.—Forty-three will graduate on June 11 at Bellarmine.

All Visitors remark how beautiful the Bellarmine grounds have become. If we could find the well which was plugged by the College of Pacific, we could convert the gardens into a "college park."
